LEADING LIGHT

Please read the instructions carefully before commencing assembly

LED PENDANT LIGHT

(E) Warnings:

General use

- The lamp gets hot after prolonged use, therefore, do not cover the product.

Cleaning instructions

- Before cleaning, ensure that the power supply is switched off. Wipe surface of lamp shade with a soft cloth.
- Do not use any abrasive cleaning tools such as steel wool, scouring sponges or stiff brushes.
- Never use strong cleaning agents such as white spirit, household glass cleaner or cellulose thinners.

Safety precautions

- The appliance should be installed, connected and tested by qualified electrician and in accordance with local regulations.
- Turn off the power supply before installation or maintenance of the lamp, and make sure that the cables are not squeezed or damaged by sharp edges during installation.
- The lamp should not be covered by insulation blankets or similar materials.
